We are:

Protesting against the Queensland Labor Government's **abortion-to-birth laws** which passed in 2018, and the resulting **dramatic increase in abortions** in Qld.

Remembering and honouring the approximately **90,000 babies** that are aborted in Australia every year.

Working towards a life-valuing Australia, **where every human life is cherished and protected from conception until natural death.**

Protesting against the tragic fact that **babies born alive in abortions in Queensland are left to die.**

*Since the march is also likely to be just weeks before the federal election - we also will focus on how we can **VOTE FOR LIFE** at this election.*

As always it will be a family-friendly event, and Queensland Police will have a presence to help ensure our safety at all times.

We also will observe a minute of silence to remember those babies that have died in abortion in Queensland.

Please wear white if you can.
